

Conditions 20 cents/transaction on the current account

Keytrade Bank pays you 20 cents per executed transaction on your Keytrade Bank current account from 1 October until 31 October 2018 (included).

> Conditions

- The offer is valid for each client (both new and existing) of Keytrade Bank.
- The offer is valid for each national transaction which is carried out on the Keytrade Bank current account (payments by debit card, transfers, withdrawals with debit cards, banker's orders, ...), except international transfers and credit card transactions.
- This offer does not apply to internal transactions on your own Keytrade Bank accounts
- For this offer the following restrictions apply: a transaction from or to the same account is only taken into account once a day. Only one withdrawal with the debit card per day will be taken into account.
- This offer does not apply to investment clubs, joint ownerships, associations without legal form, co-ownerships, legal persons and accounts of professional nature.

After respect of all terms and conditions of this offer, Keytrade Bank will give you in November the amount (i.e. the value of the number of transactions on your current account multiplied with € 0,20) automatically on your Keytrade Bank current account. This amount will be indicated in the history of your account with as indication `20 years Keytrade Bank'.

Keytrade Bank reserves the right to cancel the offer, either partially or in its entirety, for technical reasons (servers, database) and/or suspicion of fraud and/or abuse or proven fraud without obligation to provide compensation for the beneficiaries. Keytrade Bank may also exclude a beneficiary in the event of suspicion of fraud and/or abuse or proven fraud and this without any indemnification right for the the excluded beneficiary.

The "[General Terms and Conditions - Keytrade Bank](#)" are applicable on this offer.
