

> The **KEYPACK** consists of:

- A free online current account
- 5 cents / executed transaction on your current account (see conditions)
- A free debit card
- A free credit card (VISA Classic) for private individuals living in Belgium
- A free online savings account with competitive interest rate
- A free online trading account

The **KEYPACK** can be requested through the online account opening form.

Conditions related to the VISA Classic card are explained in the specific conditions of the VISA card. The Bank reserves the right to refuse to grant the Card without being required to provide an explanation.

The VISA Classic card will stay for free after one year if you have done at least 12 transactions in the past year.

The content, conditions and tariffs of the **KEYPACK** can always be changed by the Bank.
